

SOLAS MARINE SERVICES GROUP OF COMPANIES

SECTION 1.0

QUALITY POLICY

SOLAS always strive to provide professional services in the field of Life Saving, Fire Fighting, Breathing Apparatus, Gas Detection & Calibration Equipment, Assembling, Supply & Testing of Fluid Hose Assemblies & Related Product for the Industrial & Marine Offshore and Onshore Industries in the Gulf through sincere effort, intelligent direction, skillful execution and providing a continuous quality service to our valued customers.

The Management and Staff of the SOLAS are committed to provide our customers the quality of services that meet their needs and exceed expectations.

These commitments are achieved through:

1. Establishing and maintaining a Quality Management System that meets the requirements of ISO 9001 standard.
2. Complying with applicable regulatory and statutory requirements.
3. Setting Quality objectives and developing plans, which ensure the continual improvement of our Quality Management System.
4. Providing resources for achieving the set goals.
5. Communicating organization's policy & objectives to all employees.
6. Taking appropriate actions in case of deviations from the established action plans.
