ASSURING SAFE AND SECURE WORK ENVIRONMENT

The Lifeboat division of Solas Marine Services Group was first established in the year 1988 in the United Arab Emirates and over the years, has built up a reputation of being a reliable and efficient service provider to vessels calling various ports across the Gulf Region.

Our workshop facility in Dubai is fully equipped with the latest technology to facilitate timely and efficient repairs on Lifeboats, Rescue boats and their launching appliances. Lifeboat servicing activities are approved by major classification societies like ABS, DNV, LR, KR, CLASSNK, RINA, IRCLASS and BV.

We have qualified engineers and skilled technicians who have been trained to service lifeboats and its launching appliances of all major manufacturers. Our in house training facility is well equipped to train engineers and technicians on new and existing products thereby providing the best service to clients. Solas has also established Lifeboat service station in Bahrain, Qatar, Oman, Saudi, India, Sri Lanka and Singapore to carry out servicing. We can also carry out services in all major Ports / Shipyards around the world through our good service network.

Our aspiration is to work towards delivering a quality service for our customers by satisfaction and maintaining a good relationship.

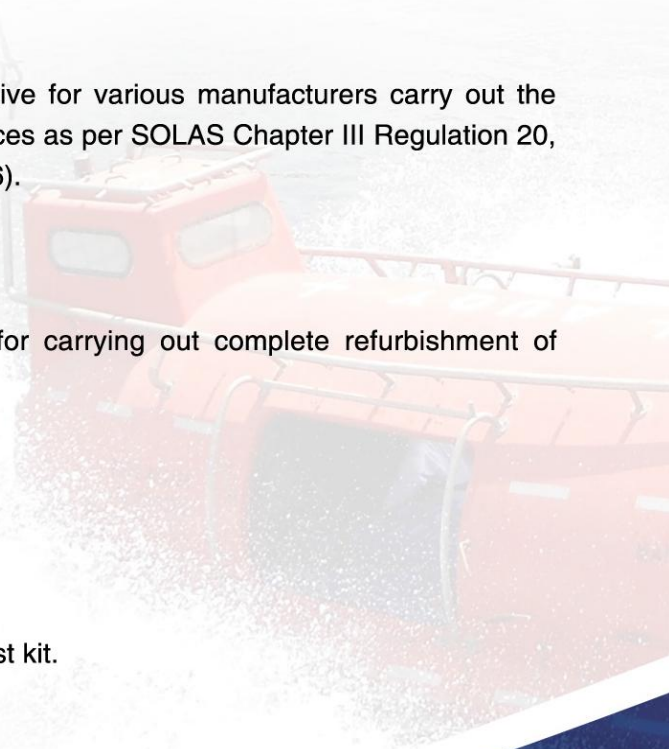

Solas Marine Services as an authorized service representative for various manufacturers carry out the inspections and servicing of lifeboat and its launching appliances as per SOLAS Chapter III Regulation 20, including latest amendments and as required by MSC. 402 (96).
